

MAKING COPIES? PLEASE READ THIS FIRST

Our church is required to report the photocopies or scans we make from publications which are in copyright. In order for us to complete these reports, please read the information below and fill in the publication details where necessary.

The reporting administrator for our church is:

Non-music books/publications (CLA Church Licence)

Please enter all the details below before you make copies, unless the publication specifies that free photocopying is permitted (check the copyright information within the opening pages for details)...

Music books/publications and sheet music files (Music Reproduction Licence (MRL))

Copies made under the Music Reproduction Licence (MRL) should be reported regularly, ideally weekly, at the same time as reporting reproductions for the Church Copyright Licence (CCL) if the church holds these licences.

If you are not assigned as a User on reporting.ccli.com please tell your reporting administrator about the copies you have made.

Please do not remove this sheet from the photocopier.
